

*The Ojai Valley has many ways of accommodating our visitors. If you want golf, tennis, a pool and an awe inspiring view across oak covered fairways to green mountains, Ojai has that. If you need only a well appointed room that overlooks a manicured garden, you'll find that in Ojai. If the intimacy of a Bed & Breakfast is more to your liking, we have one for you. Are you a fisherman and want to be closer to Lake Casitas, you can do that, too. In fact there's a place in Ojai where you will always be the only guest at the inn. There is truly something for everyone in Ojai. Come, relax, and enjoy!*
